

This website uses cookies, tracking pixels and related technologies.

BioBarica only uses the data completed by each user (name, email, telephone) for the sole purpose of sending you information of interest. We do not share or share this information with third parties.

BioBarica may send you emails or phone calls only as part of a registration process, to confirm your information, provide information and / or announce changes to this privacy policy.

By providing any personal data through Internet contact forms, you are agreeing that they could eventually be collected and used by third parties without your consent. From BioBarica we take care of protecting the privacy of said data, but we can not absolutely guarantee the intrusion of third parties.

For any queries regarding the privacy of the data, interested parties can contact our headquarters.

BioBarica is committed to inform its clients of any changes in these policies.
